

## New Zealand Calendar

New Zealand Bloom is proud to be able to provide you with a wide range of quality products throughout the whole year!

The table below is an indication of many of the products that we offer, and their general availability. If the product name is highlighted you will also be able to see either a sample picture of the product or a greater detailed page for that product group.

Please note that while care has been taken in indicating availability, due to the nature of flower production, supply cannot be guaranteed. Please contact [NZ Bloom](#) for the latest availability information.
